

**Greeneville Research & Education Center
2255 E Allens Bridge Rd
Greeneville, TN 37743**

The 2019 TN Master Beef Producer Program will be in conjunction with the Northeast TN Beef Expo. As a participant of the program you will receive credit for attending this expo.

The second day of the program will again be at the Greeneville Research and Education Center, where you will attend educational sessions through out the day. At the close of the second day you will graduate as an Advanced Master Beef Producer. Qualifying you to continue to receive the 50% reimbursement through the Tennessee Agriculture Enhancement Program.

Northeast TN Beef Expo

This educational program is designed to have educational sessions, trade show, as well as a speaker during lunch. This program provides you with vital current industry issues.
