

The Hawkins County Humane Society 'Lonely Hearts Pets'

The Hawkins County Humane Society for Valentine's Day is looking for Matches with one of their 'Lonely Hearts', long-term dogs and cats. At the beginning of January, they were filled with around 45 dogs and 65 cats. However, with recent adoptions they are down to 27 dogs and still about 60 cats.

Unfortunately, their older and bigger dogs and cats see their smaller and younger fur babies go to loving homes leaving them Lonely. Thirteen Lonely Heart dogs have been at the shelter for over 3-months and few to almost 1 year. Many of their cats have been with them a year.

They are a no-kill facility having a significant cost for them to house, love and take care of these lonely hearts until they can find a good home. Please help them continue to be one of the better no-kill facilities in the state. To really appreciate these Lonely Hearts please spend 10+ minutes or more with them in one of their new fenced in areas! Take them for a walk too.

This February all their Lonely Heart Dogs and Cats are \$30. For other dogs with them less than 90 days the adoption fee is \$40 and puppies \$65. All cats and kittens are \$30 this month!
