

# Open House for Price Public Community Center

To all the family & friends of Price Public Community Center, the past year took a toll on our fundraising efforts. Not being able to have our Soul Food Dinner really put a dent in our pocketbook. We appreciate those of you that responded to our first fundraising event more than you can know. In appreciation, we are having a *Thank You Open House* at Price Public Community Center and Swift Park on June 19, 2021 from 11am - 4pm.

Along with light refreshments there will be food vendors, games, door prizes, gift certificates, a bike raffle, face painting, balloon animals, cakewalk and corn-hole, horseshoe, and basketball tournaments . Bring your friends, children, grandchildren, and chairs and take advantage of the new equipment at Swift Park. Spend time looking back through history in the Swift Museum and just enjoy friends, fresh air, activities and food. For more information you can call 921-3888 or if you would like to donate to Price Public you can send your check to 203 W. Spring Street, Rogersville, TN 37857. Remember a museum is a terrible thing to lose. Help support Price Public Community Center.
